Work Experience

Ideum - Experience Design Intern, Albuquerque, NM

May 2022 - July 2022

- Successfully learned and integrated Ideum's framework into a total of six applications
- Debugged, reprogrammed, and redelivered an application that was poorly functioning within one week of receiving the complaint
- Independently designed, developed, and system tested five interactive exhibits, educational games, and other applications
- Contributed a generalized, plug-and-play Video Player solution to Ideum's framework
- Successfully collaborated with another developer to accelerate the development of an in-progress application
- Created and designed thorough documentation for internal use and client instruction
- Deployed several programs using Inno and NSIS installer types with digital certifications
- Collaborated with coders, designers, UI /UX developers, and producers to gain real industry experience

Dion's "Expert," Albuquerque, NM
